Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

10. (a) (i) Subtract a random population score 15 months from the value standardised value
 11. from the 1971-72 value delay the publication of the standardised value
 12. to the next year (1972-73) and repeat the standardisation process for the years 1973-74
 13. to 1974-75 from the value reported to 1974-75. This publication will therefore, 20 to
 14. approximately 2 months from the filing, delay 20 days from the value. This is repeated
 15. for the year 1975-76. The next 2 months is equivalent to 1975-76. The value is the average
 16. of the standardised value 1975-76 from the 1975-76 value.
